Recommended Books

His Needs Her Needs

by Willard F. Harley, Jr.

The main topic of this book is building an affair-proof marriage. It also discusses, in detail, men's and women's five greatest emotional needs which need to be met in a relationship.

SexGod

by Rob Bell

Relationships revealed in a way that elevates the human condition and offers hope to those whose relationships are wounded. Available in the book store.

A Celebration of Sex: A Guide to Enjoying God's Gift of Sexual Intimacy

by Douglas Rosenau

Answers specific, often unasked questions about sexual topics, presents married couples with detailed techniques and behavioral skills for deepening sexual pleasure and intimate companionship, and is an excellent tool for premarital education.
