### For Discussion

1. We know that Jesus came to “seek and to save that which is lost.” What part do you think you play in what Jesus came to do?
2. How have you done that in the past and how did you feel about it then?
3. Has that part changed from then to now? If so, how? That is, what do you think the Lord Jesus would have you do now in seeking those who need Him?

*Suggestion: In ministry time, as a group, pray for friends and family who still need to know Jesus. Pray also for the people whose names were put on the boards last weekend.*

### Outflow Opportunities

2. What can your small group do for those who live in the neighborhood you're situated in that will show the love of Jesus in a practical way?
