### For Discussion

1. Do you believe that in order to excel in outflow you must excel in inflow? Why? Any Scripture to back it up? *Hint: Ephesians 3:15.*
2. As a group, read Acts 8 and 11:19. Do you think Philip and the people in Acts 11:19 saw themselves as missionaries?
3. What enabled these people to share the good news the way they did?
4. If circumstances forced you to be driven from your community, would you do as the men did in Antioch?
