For Discussion

1. What was Paul praying for when he prayed that “the eyes of their understanding would be opened?”

“Understanding” is the Greek word for heart (kardia). Does this change your understanding of what Paul wants to see happen? How so? Why is this necessary?

2. What is “the hope of His calling?” Does it help to know that “hope” in the New Testament always means “confident expectation”? How so?
3. What are the riches of the glory of His inheritance in the saints (NKJV)?
4. What kind of power is available to us in Christ? What does this look like on a day-to-day basis, what is the benefit of it?
